

NEED A STUDENT MOBILE DEVICE?

Step 1: INSURE IT

Click on the QR code below and purchase insurance for your device. Don't worry, you can purchase that plan now and once you have your device checked out to you, you can return to the account and input the Serial Number and Model Number to Finalize your insurance plan.

Step 2: SIGN IT OUT

Click on the QR Code below to open the Agreement for Student Use of Mobile Device Computer. Provide your child's Student ID and Parent Email/Phone. Read the agreement. Submit all required information. The Asset Manager will be able to verify that insurance has been paid and agreement signed. You will receive a receipt via your student email once you have checked out the device.
